

NIMEI National Entrance Examination Results

The NIMEI the new national medical Education system which is a joint initiative by the two Ministries, the Ministry of Health and the Ministry of Education of the Federal Democratic Republic of Ethiopia, envisioning the scaling up and transformation of medical education in Ethiopia .The goal is to educate 21st century Medical Doctors quantitatively sufficient and professionally competent to provide quality health care to meet the demand of the Nation.

NIMEI as one of its components has developed **Recruitment Selection and Admission** system where **National Entrance Examination** is one major component. NIMEI Entrance Examination was conducted on Tahsas 10 2004 E.C. in 13 Universities and newly established medical schools in different regions of Ethiopia . A total of 2879 applicants had registered in the different registration sites to the **National Examination Agency**. Among the total applicants 430 were Female applicants. Applicants were from all regions of Ethiopia: Tigray, Afar, Amhara, Oromia, Somali, Benshangul-Gumuz, SNNPR, Gambella, Harari, Addis Ababa, and Dire-Dawa.

1. Results of the NIMEI

Results of the NIMEI Entrance Examination as administered by the **National Agency for Examinations** are now available. To see **your individual results** and **your status of admission** to the different medical schools please follow the following link: <http://www.nae.gov.et/Public/ViewExamResults.aspx>

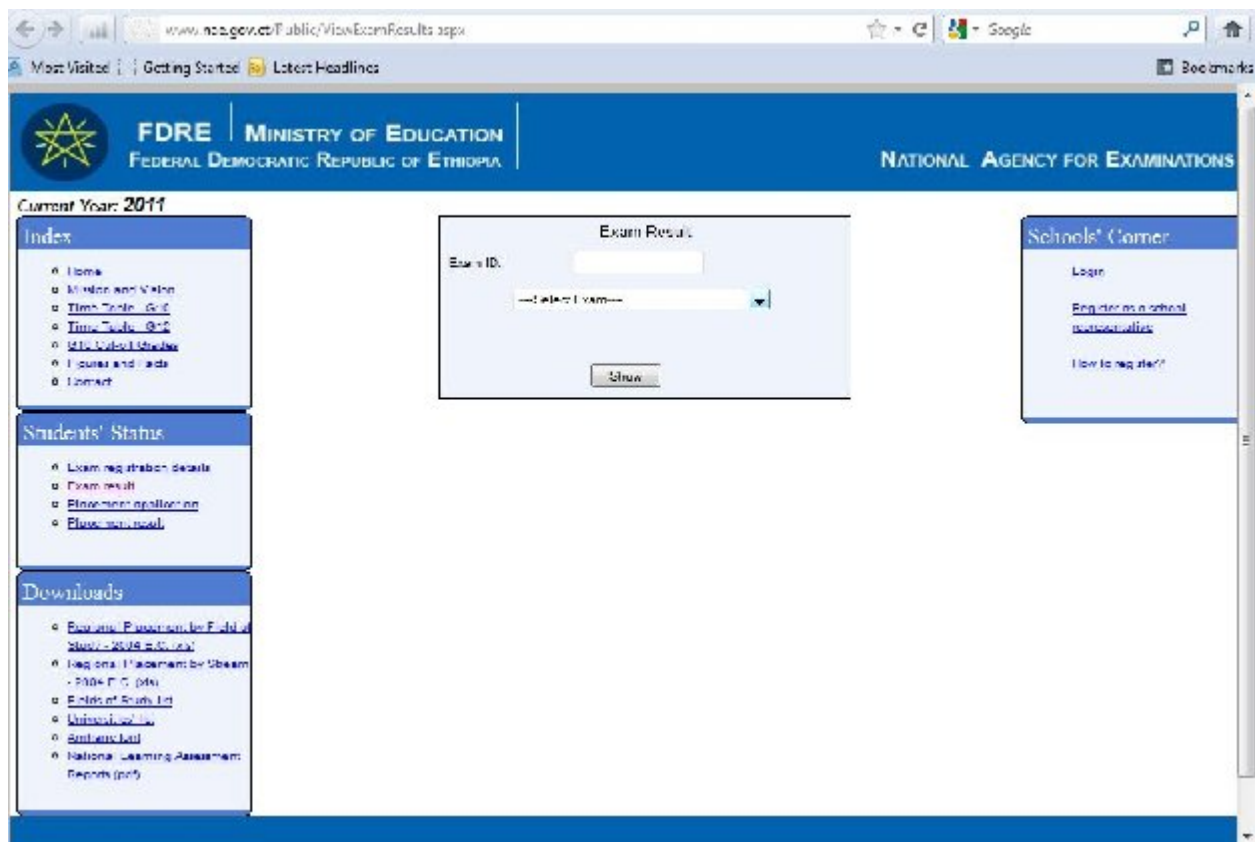

2. Criteria of selection for entrance to Medical School

- a) All Candidates have been selected based on the admission criteria of NIMEI.
- b) Candidates that sat the exam have been selected based **on their performance** on the Entrance Examination. However, affirmative action has been applied to female candidates as on the admission criteria.
- c) Pass to the Medical Schools
 - Male candidates with results of **56 and above** have been accepted to the Medical Schools.
 - Female candidates with results of **48 and above** have been accepted to the Medical School
- d) A total of 1017 candidates will be admitted to the Medical Schools out of these **75 %** are Male and **25%** are Female candidates. Additional 117 Candidates are selected as reserves.

- e) Status to Medical School admissions are four: 1) **“Pass”** means admitted 2) **“Reserve”** means can be admitted if **“Pass”** candidate number is not achieved in the medical schools 3) **“Fail”** means not admitted 4) **“Disqualified”** means candidate whose result has been rejected for reasons of falsification or misrepresentation.
